- Students receiving an F grade in any course or a grade of L in 9 or more hours of coursework become academically ineligible.

GENERAL CONCENTRATION AREAS

CCTE doctoral students are given quite a bit of flexibility and assistance to declare concentration areas and develop pertinent knowledge claims through the POS process. More specifically, CCTE doctoral students work very closely from day one with their advisors to ensure that all coursework will be considered appropriate for their academic aspirations. The POS must include at least 54 credit hours (excluding dissertation credits).

Course of Study

Minor Program: _____
(Minor is optional)

All credits must be for courses listed (or cross-listed) in programs other than that of the major and cannot also be counted toward major requirements. In most cases, the minor would not include courses from more than two programs. Only one program name will be listed as granting the minor, and the Director of Graduate Studies in the minor program must agree to accept any courses from outside the minor program offerings. The minor must be approved in advance by the Director of Graduate Studies in both the School of Education and the minor program area. A faculty member with Graduate Faculty status from the minor area must serve on the Program of Studies and Doctoral Dissertation committees for your degree.
