School of Education – Optional Graduate Minor Program

Course of Study

Minor Program: \_\_\_\_\_

(Minor is optional)

All credits must be for courses listed (or cross-listed) in programs other than that of the major and cannot also be counted toward major requirements. In most cases, the minor would not include courses from more than two programs. Only one program name will be listed as granting the minor, and the Director of Graduate Studies in the minor program must agree to accept any courses from outside the minor program offerings. The minor must be approved in advance by the Director of Graduate Studies in both the School of Education and the minor program area. A faculty member with Graduate Faculty status from the minor area must serve on the Program of Studies and Doctoral Dissertation committees for your degree.
